#### Overview and Format:

9 teams in Varsity Girls Division split in two team pools.

Each team will play pool play to determine seeding in a single elimination tournament on Sunday, July 18th. The primary objective is to provide as many games as possible to help teams prepare for the remainder of the national travel schedule.

Tie Breaker for Pool Play Finishes Includes:

1. Overall Record
2. Head To Head Competition (2-way tie-breaker)
3. + and – points differential in game results (max is 15 per game)
4. If needed, total defensive points allowed
5. In case of a tie following the first 4 criteria, a coin flip will determine seeding.

Good luck to all of the teams and at the forefront is setting an example with good sportsmanship for the players on our teams.
